Look What We Have Learnt

Welcome to our termly Newsletter. We cant believe we have done a whole term already. Welcome to our new families who have started at Bicknacre Preschool. We had lots of fun learning about all about the wonderful things that nature brings us!

The summer is now fading despite some warm days and chilly autumn mornings are gathering pace. The autumn is a lovely time as colours change from green to brown and red providing a great opportunity for exploration by the children.

We hope everyone has a lovely festive break and thank you for the continuous support.

COMMITTEE

We are lucky to have the support of our wonderful parents and some have joined our committee. Without our Committee we wouldn't have a preschool.

Our team of staff are here to help so please do speak with them if you have any questions or concerns.
